OAKWOOD OVERNIGHTER 11

FRIDAY 31 JULY - SUNDAY 2 AUGUST

DEADLINE: FRIDAY 17 JULY 2009

For this year's Oakwood Overnighter we have managed to bring back an old favourite - the Hydro ERS. We had to stop this a few years ago due to its opening in the afternoon, but the park has agreed to get it ready for us in the morning. To make the ERS more memorable, and who can forget those in 2003 and 2005 (check the website to see what I mean), we will be awarding a prize for whoever dresses in the most "interesting" way for the ERS.

Speaking of prizes, we will also offer something wonderful to anyone who can raise the look of their abode (tent or otherwise) above the norm. So get those thinking caps on.

Apart from all the above, there'll be plenty of the usual stuff including Kev's quiz, Play Your Coasters Right, the soup kitchen, the Crystal Maze and Bowling offer at the adjacent Canaston Centre and anything else we can think of. If you have any ideas, we'd love to hear from you.

For those new to the Club and the event, the trip is called the "Oakwood Overnighter" because those who are willing to can camp in the park itself. We create a full camp site (with toilets, water, lights and a large screen video) on a field within the park. This means that you don't have to seek out accommodations after a potentially long drive down.

This year's trip is a little different due to the park closing at 6pm. But we will still have our "normal" pitch black ERSs at 10pm.

Speaking of ERSs, Friday nights will be on *Speed*, Saturday mornings on Hydro and at night *Megafobia* (of course).

Camping will be available on both Friday and Saturday nights of the event. We hope you can make it down, tent in hand, for what is always one of the highlights of the Club's year.

The payment of registration fees by, for, or on behalf of participants releases and hold harmless the European Coaster Club and its representatives from any and all liabilities related to these activities.

The Friday price includes a full day at the park as well as the hog roast. We are keeping the BBQ cost down as it does not include drinks. So please bring your own, and we will provide "cooling down apparatus." Thanks.

Something we unofficially did last year was offer a "taxi service" from Narberth station, so if anybody this year wants this service, please let us know on your application.

If you have any questions, do not hesitate in contacting us, and we look forward to seeing you on the 31st July.

Justin
