Thorpe Park 2009

THORPE PARK - FRIDAY 4 SEPTEMBER 2009

DEADLINE: FRIDAY 28 AUGUST 2009

Join us for an evening ERS on Thorpe Park's brand new Saw-The Ride! The world's first horror themed roller coaster has proved very popular, and here's your chance to put Saw-The Ride through it's paces during an exclusive ride session!

You are welcome to arrive at the park at any time during the day - and we will be sure to suggest suitable meet up times to 'take over' some of Thorpe Park's rides and coasters. Our end-of-day ERS will start once the park has emptied.

What's more - the ERS is completely free of charge! Just book your place with us, get yourself into the park, and then enjoy the exclusive ride session!

The day will go something like this:

12:00 Group will meet at the Glass House to collect badges

14:00 Various ride take-overs

17:00 Park closes

17:30 ERS begins on Saw - The Ride

Simply send a list of those attending (full names please) along with contact details to the above email or postal address.

Thanks, and I hope to see you there!

Mark
